REASONS FOR ALLOWANCE

In response to applicant's after-final amendment filed 5/18/2007, claims 9-12 have been canceled. Claims 13-14 and 16 are pending and allowed.

The following is an examiner's statement of reasons for allowance:

Claims 13-14 and 16 are allowed because Applicant has incorporated the previously indicated allowable features of claim 15 into claim 13. Neither Uno et al nor Farah et al disclose or suggest the combination of laser beam machining and etching in order to form a grooved optical fiber array.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Quyen P. Leung whose telephone number is (571) 272-8188. The examiner can normally be reached on normally M-F, 6:15 am - 2:45 pm.
